August 2017

Welcome to Issue #13 of News You Can Use. As an Attorney, Karin Schumacher has been advising, counseling and assisting clients with their Estate Plans since 2001 and has prepared and executed over 5000 Wills, Trusts, Advance Health Care Directives and Powers of Attorney. Karin's law firm, Afsar Estate Planning focuses on Providing Estate Planning Expertly, Efficiently & Affordably.

It Is Never Too Early... But It Just Might Be Too Late

Read about my spur-of-the-moment, unplanned, stirring trip to Germany. It was a fantastic experience, which taught me that doing things spontaneously has its rewards. This was one opportunity I did not want to pass up or put it off until it would be too late, which is a nice segue to point out that while you can never do your Estate Plan too early, it could be too late. If you hesitate and wait for the right time, the right moment, the right circumstances to do it, it could be too late. I get calls from prospects and clients all the time who want a Will, Trust, Advance Health Care Directive or Power of Attorney when they or their loved ones are dealing with death or incapacity. Call me and I can help you complete your Estate Plan, before it is too late!!
